

HAND SANITIZER STATION

MODEL 1 - FREE STAND DISPENSER

Why?

The low-cost Hand Sanitizer Station will pay for itself in half the time and cost less to maintain than most other hand sanitation stands. The Hand Sanitizer Station is a free stand dispenser and is made from unbreakable molded polyethylene that can withstand the force of vandals and nature so you can keep renting it year after year. If faster profits and long term benefits are what you want from a hand sanitation stand, then the Model 1 Hand Sanitizer Stand will deliver.

* Product does not come with decals. Decal area is intended for use by operators to feature their own company name
