

EAGLE

DROP OBJECT PREVENTION ROLL

DOR SERIES

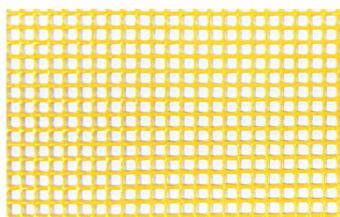

Grating Clips

DROP PREVENTION SAFETY SOLUTION

- High strength PVC coated polyester mesh
- 1/8" hole openings, 56% open area
- Roll Size: 5' x 90'
- Safety yellow for enhanced visibility
- High friction coating for wet slip resistance
- Tear resistant, will not unravel when cut
- Flame Retardant to NFPA 701

1/8" MESH OPENING

APPLICATIONS & BENEFITS

- Prevents small tools, fasteners, & foreign objects falling from elevated work platforms & causing injury
- Helps achieve FME (Foreign Material Exclusion) & FOD (Foreign Object Debris) goals
- Easy to deploy, roll out & cut to size
- Vents heat & reduces condensation build up with 56% open area
- Pair with Eagle Grating Clips to easily attach to metal grating
- Oil & gas refineries, & power plants

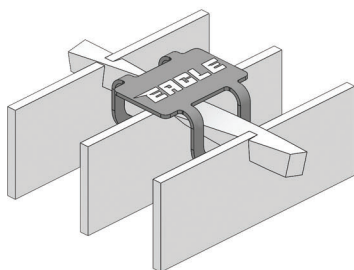

PLEASE READ CAREFULLY!!

- 1.) Used for small dropped objects and debris only. Not to be used for large or heavy debris.
- 2.) Never use for lifting/hauling debris or materials.
- 3.) Never use as a personnel safety net for fall protection.
- 4.) Recommended use on flat surface area or metal grating. Eagle Grating Clips can be used for easy hold down "W" style welded steel grating.
- 5.) Product is flame retardant, not fireproof. Never use as a blanket or curtain for welding, cutting, or hot works.
- 6.) Inspect each mat before use. Do not use with tears, rips, or product deficiencies. Discard immediately and contact Eagle Industries for re-order quantity.
- 7.) Drop Object Prevention Mats are used to "prevent" objects from falling. There is no guarantee that objects will never drop or fall from heights.
- 8.) Multiple factors restrict or limit the use including the application, installation, appropriate mat size, worker safety, competence, awareness, area inspection, etc.

DOR SERIES

PRODUCT	COLOR	ITEM #	ROLLS	PALLET QTY
5' X 90' ROLL	BRIGHT YELLOW	DOR5-0590-YEL-FR	1 ROLL	50 ROLLS
GRATING CLIPS	SILVER	A-GRATECLIP	100/BAG	50 BAGS (1 BOX)

GRATING CLIPS

Used to attach Drop Object Rolls to the cross rods of "W" style welded steel grating.
